

Canberra Spinners & Weavers Inc.  
**The Fay Skyring Scholarship 2023**

**This scholarship** has been established to honour the legacy of Fay Skyring OAM. In her long working life Fay was a weaver, an artist, teacher and mentor to many. This one year scholarship aims to promote textile arts by offering the recipient access to CSW workshops, culminating in an exhibition at the Fay Skyring Gallery, Canberra Textiles Works. The scholarship gives the recipient an opportunity to further research and develop their textile design practice. CSW understands that the recipient may have other work and/or study commitments.

**It is open** to current and new members of CSW, 18 years and older who wish to further develop and excel in their textile skills.

**The award offers** a choice of up to three CSW workshops at no cost, to be undertaken during the scholarship. This will include materials specified as provided for the workshop, plus free equipment hire for a particular workshop if required. Equipment at Canberra Textile Works can be made available at other times. Information about the workshops offered in 2023 can be found on the CSW website mid February 2023. <http://www.canberraspinnersandweavers.org.au>

**At the conclusion** of the scholarship in March 2024, the recipient's work will be displayed for three weeks in the Fay Skyring Gallery, Canberra Textile Works, Chifley. This will show work inspired by the workshops along with other textile work developed during the scholarship. Assistance will be given with the installation of the display and accompanying brochure. The member will be asked to give a floor talk at the Annual General Meeting that month.
