### OUR ASSOCIATION

Through its monthly meetings, guest speakers program, interest group meetings, workshops and extensive library, Canberra Spinners and Weavers Inc seeks to foster the continued development of the crafts of spinning, weaving and related activities. Members provide a network of informal instruction that complements our regular scheduled workshops that are designed to stimulate creativity as well as improve skills. Our annual exhibition serves to demonstrate our members' accomplishments and provides an opportunity for the public to purchase fine, handmade items.

New members are always welcome.

### WEAVE STUDY GROUP

The Weave Study Group provides a stimulating forum for weavers of the ACT region. Meetings, held every month, are informal and discussion touches on all aspects of the craft, for example examination of an unusual textile; members "show and tell" of their own work; the study of unfamiliar equipment and techniques; or an exhibition visit or joint project.
