Conditions of Rental:

1. Only financial members of the guild may hire equipment.
2. Deposit and monthly fees are paid **in advance** by bank transfer. Include surname and brief description for treasurer's records. Once this is done please email equipment officer to arrange pickup of the equipment.
3. All equipment must be kept in good working condition. Looms: If it is necessary to change heddles from one shaft to another, please return them to the original shafts. Remove remaining warp. Spinning Wheels: Please ensure all bobbins are returned and all spun yarn removed. Carders and Handcarders should have all fibre removed.
4. All wear and tear/breakages must be reported to the equipment officer upon return.
5. Equipment must not be given to another person without the written permission of the equipment officer.
6. Maximum monthly rental length is 3 months unless written permission to extend is obtained from the equipment officer. Shorter time frames may be applied if equipment is needed for upcoming classes.
7. The equipment **must only** be returned to the equipment officer or a committee member. Deposit will not be refunded unless equipment signed back in by the equipment officer or a committee member.
